- Parking
  - Playground Equipment
- < to Auten Road      Laurel Road      Entrance

## Get Out There! Saturday June 13

There's plenty to do at St. Patrick's Park. Go canoeing or kayaking, fish, play disc golf, throw a boomerang, or go geocaching.

**Access in and out of the park gates after 10:30 pm is limited to emergencies**, and must be coordinated with the on-site overnight security crew.

**(Located at park gatehouse)** Individual campfires and charcoal grills at tent/motor home sites are not allowed. Campers may cook on propane camp stoves at their site. Campers will park their vehicles, after unloading, in the lot north of the Red Barn. No campers or motor homes over 30 feet. Motor homes will park in the Berta Shelter lot.

**At the Berta Shelter there are:**

Heated restrooms, with flush toilets.

A water spigot with potable water.

A large “community” grill. Campers must supply their own charcoal, utensils and supplies.

One designated “community” campfire site. Firewood will be provided.

Due to firewood transport restrictions in association with the Emerald Ash Borer, **campers may not bring in any firewood.**

**Bicycles are not allowed on the hiking trails. Please keep your pet on a leash.**
